# Travel Compensation & Relocation

## Relocation

---

Robins & Morton will book a national van line service to pack and relocate you and your family. When it's time to relocate to a new project, our relocation team will provide you with all the necessary information to make your transition seamless.

The team will send you a survey that will allow you to highlight exactly what you need during the transition.

Reach out to our relocation coordinator before your next move.

## Travel Comp

---

With Robins & Morton, you have the opportunity to travel to numerous locations across the U.S. We want to ensure you enjoy the journey.

Employees assigned to out-of-town projects more than 50 miles from their regular place of business and willing to relocate as needed for further assignments shall receive weekly travel compensation. This will be equal to 20% of base salary.
